(Trích t□ email)

Iowa State University would like to invite students from Hanoi Univ of Science (HUS) High School For Gifted Student, Hanoi to join our upcoming **Innovation Fellows in Training (IFIT) Life Sciences Workshop this October, in-person in Ho Chi Minh City this October**
!

This two-day innovation workshop led by renown scientist Dr. Donald Sakaguchi , is designed to get you thinking about biology and how processes at the microscopic level of cells and molecules can provide insight into the inner workings of animal and plant cells that may ultimately help improve the quality of life and our planet.

Life Sciences Workshop: Tiny World Big Problems (Ho Chi Minh City, Vietnam)

Workshop Day 1: October 29 (9:00 a.m.–6:00 p.m.)

Workshop Day 2: October 30 (9:00 a.m.–6:00 p.m.)

Participation in both days is required.
