Hello Student,

Join us online on Saturday, December 5 for SFU Virtual Preview Day !
Connect with representatives from our faculties, Student Services departments, and current students, and view SFU through different perspectives. Discover our wide range of programs, and learn about the many ways to create your own unique university experience.
You can choose either our morning or afternoon session, or sample a bit of both (if you'd like to look into more than one faculty, for example).

Each session will feature:
· Admission presentations
· Faculty presentations
· Presentations for parents
· Student Services presentations (co-op program, mock lectures, etc.)

Check our Virtual Preview Day website for schedule and session information, and to register!

All the best,
