The Fast Retailing Foundation supports aspiring and ardent Vietnamese students who wish to study at Japanese universities, encouraging them to cultivate an understanding of the Japanese culture, harnessing and enhancing their gifts through intellectual exchanges as well as acquire the knowledge which they need in order to study in Japan.

The Foundation hopes that scholarship students with a sense of mission will make a significant contribution to the development and growth of societies in Vietnam, Japan, and the rest of the world and we look forward to working together to make our societies better places for the generations to come.
