We started our scholarship program in 2022. In 2024, we will initiate applications for students enrolling to enter universities in 2025.

Since the first intake of scholarship students enrolled at designated universities this year, we will hold an online session with these individuals and four of those institutions.

Students from high schools, junior high schools, and teachers in Vietnam are welcome to attend.

Register here: **https://forms.gle/ZvP5QurtjepMbSj28**

Registration deadline: Sunday, January 21, 2024

Please register as early as possible, as attendance numbers are limited.
