On 3 October 2026 (Saturday), from 12.50pm to 5.15pm (Singapore Time), we will be organising an online information session exclusively for students who have represented or will be representing their country in International Science Olympiad Competitions such as the IBO, IChO, IMO, etc.

We would be very grateful if you could forward the registration link on this webinar session to students and teachers/principals/Olympiad senior participants, etc. from your School and Vietnam who are involved with International Science Olympiads (eg. participating in International Science Olympiads, preparing students for International Science Olympiads, mentor for students preparing for International Olympiads, etc.)

Students and Teachers/Principals/Olympiad Mentors involved in International Science Olympiads from your School and Vietnam are all welcome to attend and find out more about NTU by attending this exclusive online information session.

During this online information session, there will be a talk by the College of Engineering, College of Science, College of Computing & Data Science, Office of Admissions as well as an Engagement Session with current NTU Olympiad Students.

Please click here for the registration links.

We do look forward to many participants from your School and Vietnam participating in this online information session.
