Warmest greetings from City University of Hong Kong ([CityU](#)).

First and foremost, we are delighted to announce that the application for 2024/25 Entry for undergraduate programmes at CityU is now open. Please feel free to ask your students to submit [applications](#) by 15 November 2023 for Early Round consideration.

Secondly, CityU is very proud of our excellent array of [International Joint Bachelor's Degree Programmes](#) that we have with our highly esteemed partner universities, which include: [Columbia University](#)

,

[ESSEC Business School](#)

,
[National Taiwan University](#)

,
[Leuphana University of Lüneburg](#)

,
[the University of Edinburgh](#)

, and

[the University of Manchester](#)

. Students can earn two degrees from two world-class institutions in four years.

Here in the [Global Engagement Office](#) of CityU, we understand that interested international applicants may have many pressing questions about what it's like to study in CityU and live in Hong Kong. With this in mind, we have launched a new service on our international website where interested international applicants can talk directly to our currently enrolled CityU students. CityU students can be chosen by their year of study, major, or nationality.

[Come and talk to a CityU student today](#)

.

CityU is a truly international university and we welcome students from over 80 countries and regions to our global campus. We recognise international students' academic and athletic achievements through our scholarships. Our merit-based [Entrance Scholarship](#) s provides up to USD23,500 per year, which covers tuition fee, on-campus accommodation and partial living expenses, and our Outstanding Athletes Entrance Scholarships can provide up to USD20,500 per year.

In summary, we have a number of exciting new initiatives and upcoming events. So, if you, your students, or their parents want to learn more about our programmes, culture, scholarships and opportunities, and admissions information, please feel free to take a closer look at the [2024 International Undergraduate Admissions Leaflet](#)
