

We would like to share the following information regarding the 2026 Fall Undergraduate Admissions.

The online application period has already begun, and we encourage interested students to apply.

Please note that the total admission quota has been expanded to 40 students for this year.

We would greatly appreciate it if you could share this information with prospective students in your country.

Admission Guidelines: https://admu-intl.unist.ac.kr/admission/

In that link, you can check application form, personal statement questions for application.
