D□□i đây là n□i dung email IYMC 2026 g□i cho tr□□ng THPT Chuyên KHTN.

As students from HUS High School for Gifted Students in Vietnam participated in IYMC in previous years, I am reaching out to inform you that the **Qualification Round 2026** is now available.

Because this year's submission deadline is **Sunday, 27 September 2026**, I kindly ask for your support in distributing information about this year's edition to your students and within your school. Your efforts can encourage even more students to engage with mathematics: https://iymc.info/en/#qualification

To assist you in sharing this opportunity, our team has prepared a range of materials, including:

- **Problem Sheet** of this year's entry round (PDF)
- **Posters** to display in classrooms or common areas (PDF)
- **Training Resources** to help students prepare (Link)

This year's awards range from international 1st/2nd/3rd places in each age category (Junior, Youth, Senior) and National Awards, to Bronze, Silver and Gold Honours for Finalists, plus a cash prize pool worth 1400 USD. There are also special awards for teachers and schools: Pri zes & Awards

We would love to see your students participate this year. If you have any questions or need additional support, please don't hesitate to contact me.
